## LEZYNE SPORT FLOOR DRIVE

£36.99

---

### STROKES TO 100PSI 25

**T**his has all the features we expect from Lezyne, and at a very impressive price. It's not the quickest to 100psi, but in just about every other way it excels. The gauge is mounted towards the bottom, but the figures are easy to read, there's a long hose, and the substantial 15mm shaft and metal base – effectively three feet – make this incredibly stable. It's also great to see Lezyne's ultra-secure Flip-Thread chuck, which screws onto Presta valves for leak-free pumping; a 'Speed' chuck is also supplied. The wooden handle adds the finishing touch to an excellent quality, well-priced pump.
